Summer Institute for Medical Students, Betty Ford Center, 1995
School on Alcoholism and Other Drug Dependencies, University of Utah, 1995

EMPLOYMENT HISTORY

University of California, Davis 3/06 – present
ATTENDING EMERGENCY PHYSICIAN – Part-time, volunteer faculty appointment, with clinical responsibilities in a multiple coverage, academic emergency department with medium to high acuity patients.

California Emergency Medical Services Authority (EMSA) 8/05 – present
DIRECTOR – Appointed by Governor Arnold Schwarzenegger on 6/21/05, and sworn in on 8/02/05. The mission of the California EMS Authority is to ensure quality patient care by administering an effective statewide system of coordinated emergency medical care, injury prevention, and disaster medical response. The EMS Authority is also responsible for leadership in developing and implementing EMS systems throughout California and setting standards for the training and scope of practice of various levels of EMS personnel. This appointment is not subject to Senate confirmation.

U.S. Department of Health and Human Services 1/05 – present
EMTALA TAG MEMBER – Appointed by Secretary of Health and Human Services, Tommy Thompson, to his Technical Advisory Group (TAG) on the Emergency Medical Treatment and Active Labor Act (EMTALA). Congress in section 945 of the Medicare Prescription Drug, Improvement and Modernization Act of 2003, created the TAG to review issues related to the EMTALA law and its implementation.

Medical Board of California 8/04 – present
BOARD MEMBER – Appointed by Governor Arnold Schwarzenegger to a renewable 4-year term on the Medical Board of California, Division of Medical Quality. The Medical Board serves as the state regulatory agency with oversight on the practice of medicine. Responsible for review of cases presented to the DMQ for disciplinary action, as well as board-level oversight of the agency. Serve as Vice-President of the Division of Medical Quality, and as a member of the Physician Diversion Committee, the International Medical Schools Committee and the Pain

Management Task Force. Confirmed by the California State Senate on August 18, 2005.

Team Health

5/04 – 2/06

ATTENDING EMERGENCY PHYSICIAN – Multiple coverage per-diem assignment in a 19 bed medium to high acuity emergency department at Shasta Regional Medical Center. 9/05 to 2/06.

MEDICAL DIRECTOR – Responsible for the management of all medical affairs for the Emergency Department of Hi-Desert Medical Center. The facility is a single coverage, medium to high acuity, 14-bed, rural emergency department in a district hospital. Ensured compliance with all medical and legal standards of care. Responsible for development, implementation and evaluation of the Emergency Department quality, safety, patient satisfaction and physician extender initiatives. Served as the local representative for Team Health, a contract management company (physician outsourcing services). Represented the department at appropriate hospital medical staff committee meetings and community events. Cared for patients and provided emergency medical consultations for the hospital medical staff. 5/04 to 9/05

County of Los Angeles

3/04 – 8/05

MEDICAL DIRECTOR, LOS ANGELES COUNTY PARAMEDIC TRAINING INSTITUTE – Responsible for management, curriculum development, and training for one of the oldest and largest programs for paramedic training in the nation. Provide medical control for the Medical Alert Center, which manages the safe transfer of critical patients between hospitals, along with medical response coordination for mass casualty events in the County of Los Angeles.

Huntington Memorial Hospital

9/03 – 6/04

ATTENDING EMERGENCY PHYSICIAN – Multiple coverage per-diem emergency department assignment in a medium to high acuity setting.

United States Department of Health and Human Services

9/02 – 8/03

WHITE HOUSE FELLOW – Direct advisor to the Secretary of Health and Human Services, Tommy Thompson, on a wide variety of public health, welfare and safety concerns. Charged with the leadership, development, and implementation of special initiatives as assigned by Secretary Thompson. Member of the DHHS senior staff.

Verdugo Hills Hospital

3/01 – 9/03

ATTENDING EMERGENCY PHYSICIAN – Single coverage per-diem emergency department assignment in a medium to high acuity setting.

La Opinión

8/00 – 8/05

FREELANCE WRITER – contributing health writer for the largest Spanish language newspaper in the United States, reaching over 600,000 readers daily.

St. Johns Urgent Care, Malibu

7/00 – 4/04

EMERGENCY PHYSICIAN – Single coverage per-diem assignment, low to medium acuity setting.

Los Angeles County and USC Medical Center

7/99 – 6/02

EMERGENCY MEDICINE RESIDENT PHYSICIAN – Multiple coverage high acuity emergency department, known as the “busiest” emergency room, and “largest” trauma center in the nation. As a senior resident I was responsible for shift management of the emergency area, and the education and supervision of junior residents and medical students. My senior resident duties called for the supervision of a shift staff of 5 to 25 physicians and other health care workers depending on the area of assignment. Provided base station control for paramedics in the County of Los Angeles. Advanced Cardiac Life Support Instructor, and volunteer faculty at the USC School of Medicine.

Huntington Memorial Hospital

6/98 – 6/99

SURGERY RESIDENT PHYSICIAN – Assisted in the management of surgical patients admitted to Huntington Memorial Hospital, including physical examinations, post-operative care, and follow-up visits. Served as the trauma team intern when taking overnight call in the hospital. Assisted the attending surgical staff and senior residents in the operating room daily. Responsible for medical student supervision and education.

Glendale Memorial Hospital

1/96 - 8/00

CONSULTANT - Responsible for creating and implementing the Employee Health and Safety Program, along with the Security Officer Training Program, including all policies, manuals and training. Compliance survey and report for AB-508.

Pasadena Police Department

6/94 - 10/96

RESERVE POLICE OFFICER - Volunteer position with duties and responsibilities equal to those of a full-time police officer. Supplemented full-time staff during periods of high demand, and received an hourly compensation for such assignments.

Bakersfield Police Department

2/92 - 6/93

POLICE OFFICER - Patrol, arrest, search, seizure, general investigations, traffic accident investigation, community service, and crime prevention. Court recognized expert as related to driving under the influence, substance abuse recognition, narcotics sales and transportation, and basic traffic accident investigation. Certified by the Kern County District attorney in narcotics related assets forfeiture.

Taft Police Department

10/86 - 2/92

POLICE OFFICER - Correctional officer supervision, relief watch commander, patrol, arrest, search, seizure, general investigations, traffic accident investigation, community service, crime prevention, and courtroom testimony. Court recognized Spanish translator. Certified by the County of Kern to operate "Intoximeter" breath alcohol analyzer. Certified in radar gun operation.

Motorola Incorporated

6/85 – 12/86

RADIO COMMUNICATIONS REPRESENTATIVE – Radio communication systems sales and customer service. Responsible for sales in excess of \$1.2 million in 1986.

C.A. Electronics / Romano Enterprises

7/82 – 6/85

OWNER/MANAGER – Radio communications and electronics sales and service, special events promotion.

Golden Empire Ambulance

2/82 - 9/88

EMERGENCY MEDICAL TECHNICIAN - Ambulance driving and attending, emergency vehicle dispatching, and CPR instruction.

Hall Ambulance Service

07/80 - 08/81

EMERGENCY MEDICAL TECHNICIAN - Ambulance driving and attending.
